PIEDMONT COLLEGE
DEMAREST, GEORGIA

To
OUR PARENTS

We affectionately dedicate this, the Ninth Volume of The Yonahian. This is a token of our love and appreciation for those who have watched over us with unceasing care during the morning years of our life. And in response to whose efforts and sacrifices our presence at Piedmont is possible

DEDICATION

IN the compilation of this annual our theme is embodied in these immortal words, "Out of the hills of Habersham . . ." The founders of Piedmont loved and were inspired by them and in keeping with this idea we have used mountains and streams as our decorative theme. We have sought to convey the progress of Piedmont and the accomplishments of her students. May this book reflect the integrity of purpose and generosity of spirit which permeates the student body.

BOOK THREE
ATHLETICS

“P” Club

Here are the people who have earned their “P”. This group is the “cream of the crop,” representing the best in football, basketball, and baseball.

Piedmont is proud of her men and women who wear the large block “P.”

“Pee Wee” Plowden, energetic and a No. 1 yell leader, who led the inspirational cheers and songs, which greatly helped our teams to fight their best.

“Kat” Sutton, “Pee Wee’s” able assistant.

Front Row: Sharp, McKay, Morrison, and Adams. Center: Clegg, Clegg, Officer, Captain, Eason, Tammie, Gandy, R. K. K. E. L. C. and K. Middle Row: Galloway, Johnson, Elwood, Walker, H. H., S. C., Biss, Charlton, L. Chambers, G. H. Chambers, Sperry, Price. Back Row: R. W., H. J. Clegg, Forester, K. K., M. M., M. W., S. C., H. L. E., Owen, G. G., Swepson, W. L., H. L. T. B., G. M. C., D. K., D. E., G. C., and J. Jones.

Football Squad

This group of husky "Lions" are the men who enabled Piedmont to place the best football aggregation in her history on the gridiron. They toiled no team, and their clean and hard fighting made them respected wherever they went. Teams representing schools much larger than Piedmont succumbed to the fierce onslaught of these Green and Gold warriors.

When Corbin Forester and Jones sounded the bugle call on the 4th of September they suddenly round about them worlds of material, however, much of this material was "green" and it was due to the patient hard work of these two men that Piedmont can now look back with pride to the team of 1929.

In praising the varsity let us not forget the men who were largely responsible for the varsity's success—the scrubs. No greater Piedmont Spirit was ever shown than that which the scrubs displayed day after day out on Haldeman Field. There need be no fear for Piedmont's football teams for the next few years, for when these scrubs come into their own, they will make history for their school.

Five players have heard the Swan's warble—McKay and Sharp who guarded the right flank of the line, Captain Forester who was one of the best of a fleetly backfield and Hodgeson who came to us for his last year from N. C. A. C. will be missed from the d-n when the Lions assemble next fall. Luck to the boys. They have fought hard for their Alma Mater and will be greatly missed both on and off the football field.

On these two pages are the men who so brilliantly upheld the traditions of Piedmont on the Gridiron during the football season of 1929.

After a month of hard drilling and practice the boys started the season by playing the team of Alabama State Teachers College of Jacksonville. The game was played on a water soaked field and neither team was able to do its best. Until almost the last minute it seemed the game would end a scoreless tie, then, by a break of fortune, Jacksonville secured the ball on the ten yard line and "Rabbit" Currie carried it across the "glory" line for the lone marker.

The Lions journeyed over to Clemson and because the field was not lined off were refused two hard earned touchdowns, even with that the Clemson "B" Varsity were held to a 6-6 tie. Later in the season, Piedmont proved her superiority over this team by defeating it 12-0.

Tennessee Wesleyan College was played on Huldenman Field and was defeated 13 to 6. In this game Guill ran wild and was ably assisted by Lewis Chambers.

Statesboro State Normal was next played, the game being played on a mud covered field and ending in a nothing and nothing draw.

The long looked for Florida trip was not made when Southern requested the cancellations of the game. This was a blow to the boys who had looked to this trip and game as a climax of the season, but they were not of the type to become discouraged, and it is to their credit that two of the hardest games of the season were won after this disappointment.

At Murfreesboro, Tennessee the Lions received the second and last setback of the season at the hands of the Middle Tennessee Teachers College. Again the game was played in a torrent of rain and when the final whistle blew, the score stood 12 to 0 for the Teachers.

Piedmont was doped to beat their ancient rivals from Dahlberg by several touchdowns and although the N. G. A. boys rather surprised them by a very stubborn fight, they at last tired themelves and proved the "dope" to be correct by handing them a 31 to 0 defeat. It was a memorable day, and no one who saw the game can forget the hard and brilliant playing of the boys in the gold colored jersey nor the Southern fight of the boys in blue.

In the backfield Goff and Lewis Chamberl were the outstanding stars. Basie Sutton, Ellard, Worley, Hodgson, Thorburn, and Captain Forster played well their part. The head work of Ellard, Sutton, and Hodgson at quarter could always be relied upon and Pace proved himself one of the best half backs seen at Piedmont in many moons.

Rickman and Gillespie were the outstanding stars in a line made up of stars. Sharp, McKay, Toll, Landrum, O'Rear, Kemmer, and Hayt Chambers all played hard and consistent football. O'Rear and McKay played in every minute of every game.

When called upon, the scrubs filled well the position of the letter men, tail-way, Chandler, Grings, Pace, Delour and Spivey deserve special mention.

LAWRENCE

CAPTAIN AND FORWARD

High point man and the back bone of the team. "Tub" was a star in every game.

L. CHAMBERS

FORWARD

Lewis played a steady and consistent game. He was always in the midst of the play and could easily hold his own against any opposition.

SHARP

CENTER

The same determination that characterized J. B. on the football field was also displayed on the basketball court.

FORESTER

GUARD

Max played a wonderful game as standing guard. He kept the old ball rolling.

RICKMAN

RUNNING GUARD

A hard fighter, fast on foot and an adept at handling the ball made Rick a big star of the season.

WORLEY

MANAGER, GUARD

Paul used his head in managing the team and his playing was equally good.

WILSON

FORWARD

The "Jumping Jack" of the team and one of the very best players. Fred has a bright future in basketball.

EL CHAMBERS

"Fudge" was often called on to step in and show the fans that Piedmont had more than five basketball artists. He was a reliable and consistent player.

GILL

FORWARD

Tart played a steady and beautiful game at forward. Always in the midst of the fight and always doing his part on the field (not literal).

SMITH

FORWARD

"Bob" was one of the best of Piedmont's super forwards. He was one of the best of the new men and one his days at Piedmont are over will no doubt be a brilliant star in the cage game.

Boys' Basketball

At the writing of this, the boys have not lost a basketball game. Six games have been played and each time the defenders of the Green and Gold have been victorious. The games and results thus far are:

Piedmont -	-	-	-	-	-	-	-	24	Nelson A. C. -	-	-	-	-	-	-	19
Piedmont -	-	-	-	-	-	-	-	42	Clemson "Y"	-	-	-	-	-	-	16

									Wadley, Ala.							
Piedmont -	-	-	-	-	-	-	-	29	Dahlonega -	-	-	-	-	-	-	27

The strong team of the Jewish Progressive Club will be met in Atlanta on Feb. 5th. Middle Tennessee Teachers College, Tennessee Wesleyan, Martha Berry School, Young Harris and Dahlonega are some of the schools which will be played before the season closes.

Captain Lawrence was the outstanding player of the season. He led the team in scoring and was a star in every game. Rickman played a beautiful and fast game at running guard and Lewis Chambers made an able running mate for Lawrence at forward. Worley, Sharp and Max Forester played a good game of ball and among the new men Fred Wilson made a remarkable record.

At the close of the season the boys are to enter a tournament of Georgia colleges at Cochran.

Girls' Basketball

Piedmont is famous for her champion Girls' Basketball Team and the above group furnished the material for one of her very best. For several years Piedmont has had wonderful girls' teams and though many stars were graduated last year leaving a doubtful situation for this year's team. It has gone this far in the season in defeat and there is every reason to believe that they will end the season without defeat. Such are the stars of our

Piedmont	28	Alumnae	11
Piedmont	27	Central Presby., Atlanta	7
Piedmont	26	Patillo Memorial	12
Piedmont	24	Howard, Chattanooga, Tenn.	19

Dahlonega, Oglethorpe, Interstate, Howard and Patillo are to be played later on in the season.

Piedmont is proud of her Girls' Basketball team. It seems from the fine new material we have and the good reserve strength that Piedmont will continue to rule girls' basketball in Dixie for several years.

STRICKLAND

FORWARD, MANAGER

"Strick" will end her college course this year. She has played on our team for four years and is one of the big reasons why Piedmont has swept all before her. Her place will be hard to fill.

GILL

FORWARD

For the second year Rosie thrilled the basketball fans by her beautiful and graceful playing. We are tickled that she will be with us two more years.

MALCOLM

GUARD

Alice came into her own this year and was one of our star players. She has proved herself a backguard with no superior.

HIGDON

GUARD

This was Joe's first year to wear the Green and Gold and she proved herself worthy of the colors. She will be with us two more years and we are expecting great things of her.

BRADFORD

CENTER

It took Eva a long time to decide to come to Piedmont. We thought she would be with us in '28-'29. We knew she was a dandy basketball player and her playing this year has upheld the confidence.

WILL NELL THEDDON

GUARD

Will was always ready to step into a game and prove to the fans that the regular five were not the only stars on the campus. She played hard and her efforts were rewarded by the negligible scores of the opposition.

JACKSON

FORWARD

Mary came to us from a basket ball town and she worthily upheld the traditions of that town. She played a smooth, graceful game.

COWAN

FORWARD

One reason why Helen will voted the best all round student was her ability as a basketball player. She was good in basketball as in everything she entered.

FLEMING

FORWARD

Beth was one of our best reserves and when the time comes, we know she will be a credit to the best fifth team in the south.

UMBACH

CENTER

We knew Audrey at Cornell and we knew she would make a good ball player and she did. Come on Audrey, we are betting on you.

Baseball Squad

The National Baseball Game is being discontinued by many schools in favor of Spring Football and track. Not so at Piedmont, for we still get thrills by the action of our boys on the diamond plot. We always look forward to the time when spring shall bring the king of American games to us.

Piedmont came out at the big end of the horn seven times out of ten in baseball in the spring of 1929. The season was a success and the team could well claim brotherhood with the football and basketball teams. The results of last years season are as follows:

Chemistry Club

Since the majority of the students of Piedmont College are taking a Chemistry course or have taken one, we realize the need of a medium through which we can keep in touch with current chemistry, both industrial and theoretical. Therefore, with the encouragement of Professor Roberts, a number of the interested students met and organized the Chemistry Club. We selected Roy Stephens, as our President, Allen Brewer, Vice-President, Grace Dodd, Secretary-Treasurer.

The Club has been meeting bi-monthly and putting on some excellent programs. It has already proven itself to be of great value to the students in this department, not only in the class room but in everyday life. The Club has made rapid progress since its organization and we are prone to believe that great things will come from it in the future.

Cornelia Club

The Cornelia Club was organized at the beginning of this school year with twenty members. There are more students from Cornelia than any other town represented at Piedmont and each member is either a graduate of Cornelia High School or are residents of the "Big Red Apple City." This is also the greatest number of students ever to represent Cornelia High School.

The Citizens of Cornelia are just beginning to realize the real value of Piedmont and this group of students have organized for the purpose of bringing Cornelia in closer contact with the Piedmont Family and to work for "A Greater Piedmont." Each student his all for the betterment of Piedmont.

In the future, with the help of the students that have planned to join us, we hope to build-up our Club so that we might do bigger and better things.

The Orchestra

The College Orchestra, organized this year, is an added feature to the College programs. Each Monday evening at eight o'clock the Orchestra meets for a practice under the direction of Miss Thalley, head of piano and violin Departments.

The arrangement is as follows: First Violin: Miss Alegret, Laura Rogers, Louise Kimsey, Olive Brown; Second Violin: Francis Gillespie, Dorothy Percy; Cello: Arline Nelson; Clarinet: Curtis McMillan; Trombone: Thomas Phillips; Piano: Evelyn Miller; Drum: Audrey Umbach.

El Club Espanol

El Club Espanol se reune en "El Casino Espanol", nombre dado a la sala de clase y del Club por los Cubanos de Piedmont College. El Casino espanol tiene una colección considerable de libros de interés español, un piano (muy cojo), y otras cosas de interés español—como un vaso de Talavera, tableros para estampas de interés actual, etc.

Inmediatamente en frente del Casino hay un pedacito de terreno que va pronto a ser sembrado en hierba y rosas trepantes.

Cuando se pase por el Casino el tercer martes del mes, se puede sin duda oír canciones populares de España, Cuba, Puerto Rico, etc.,—quizás "Los Reyes del Oriente", "Noche de Paz", "Oid un Son en Alta Esfera."

Durante la Navidad los miembros se divierten mucho, porque van a cantar villancicos por beneficio de los que en la vecindad hablan español—; y de vez en cuando reciben dulces, chocolate caliente, etc!

Durante el año 1929, el Club recibió el honor de oír leido un ensayo excelente de la Sra. Forester con tema de "Algunos Aspectos raros de Cristóbal Colón, su Carácter y Vida." También nos visitó El Sr. Professor Axtel y su Señora.

Los estudiantes Cubanos nos han ayudado de varias maneras.

Y al fin y al cabo el Club debe su vida misma e interés a la Señora Ensminger, que es una buena maestra y directora.

Le Cercle Français

A Novembre, 1929, on a réorganisé le Cercle Français, et depuis, le Cercle a pris sa place les mardis alternants.

A cause du grand nombre des étudiants qui se trouvaient au département français, il a fallu limiter les membres du Cercle à ceux qui ont passé les deux premières années de ce langage.

Mademoiselle Spencer, qui est aux soins des programmes, le président, et Monsieur Burrage, chef du département, ont stimulé un intérêt vif dans les affaires françaises. Ces programmes sont composés des lectures des bibliographies, des chansons, et bien de plus. Tout ça nous (les membres du Cercle) fait crier "Vive la France!"

In September 1929 the old Gamma Chis flocked back to school with happy hearts and gay smiles to make the new girls feel at home. And it was not long before many watery-kneed but courageous freshmen were taking the pledge of loyalty to the Society. To advise us in the rough spots of the year, we chose Mrs. Ensminger, whose acceptance of the responsibility was only one of the laurels in our crown of honor. Time sped along until presto! The open meeting was upon us! So Arline Nelson wrote, "The Cave", and it was presented on November 19.

And now, with unexcelled programs entertaining us every week, we proceed along the pathway of every year. We are sad to think that when June comes, our members will be scattered. But still we know that Gamma Chi will live always in our memories, and new faces and new names will fill our empty places here, "Loyal to the Noble Band."

The J. S. Green Literary Society was organized by the pioneers of the College in 1897, and has been an outstanding organization on the campus every year of its existence. The school year, 1929-1930 was no exception. Several new members were added to the roll at the beginning of the year bringing the total up to forty-two active members.

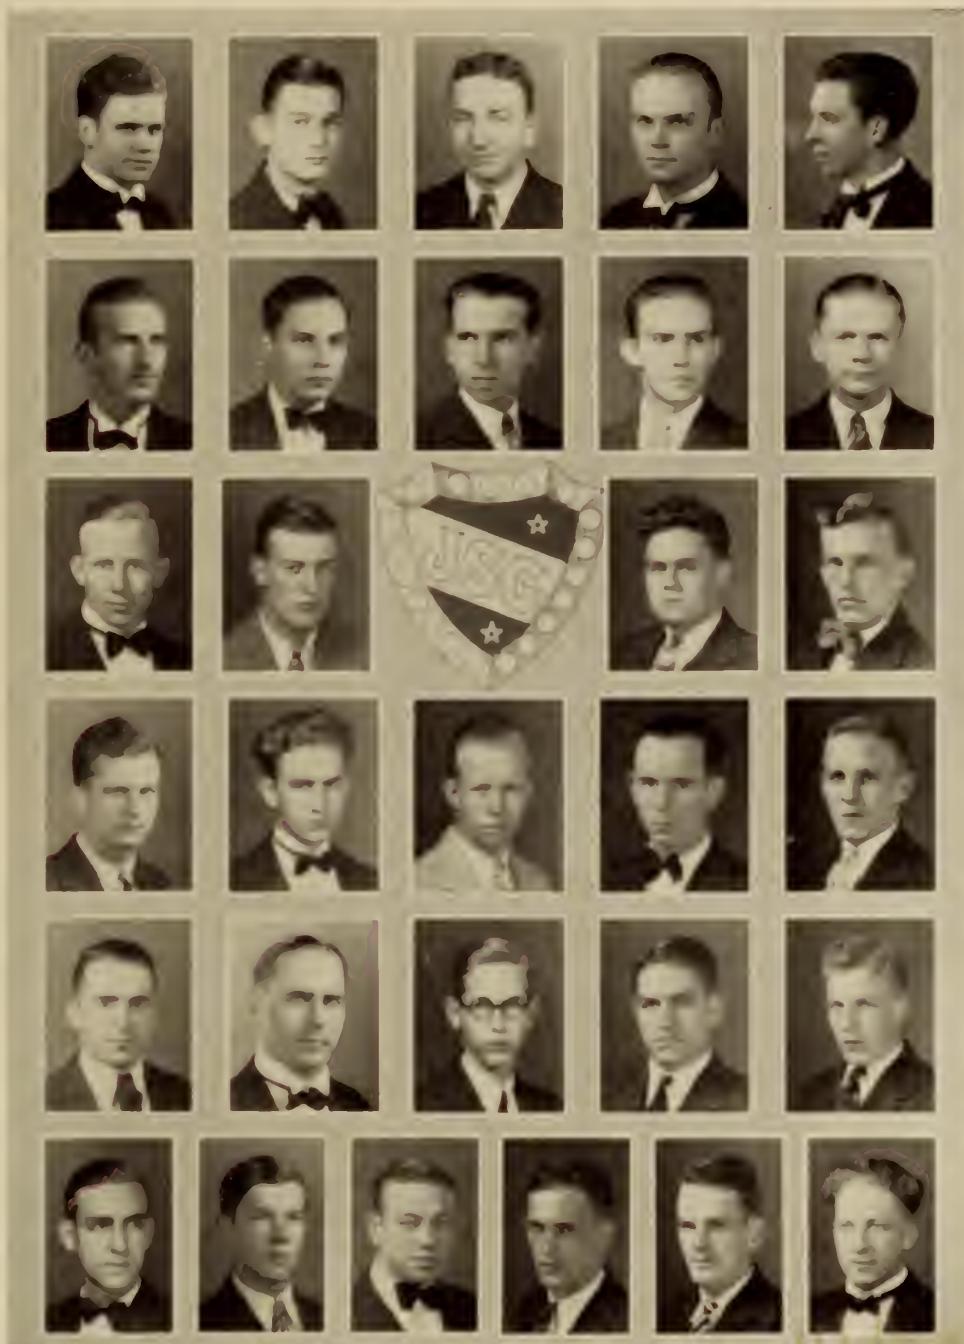

Shortly after the opening of school the Society purchased a Victor combination radio set which added greatly to the pleasure and entertainment of its members and friends.

On December 12th, the Society gave its thirty-third anniversary program. Jonathan C. Rogers, Jr. was chosen as the first mascot of the J. S. G's. Miss Evelyn Miller the sponsor was presented in a very unique manner thus playing a large role in the anniversary program. The second part of the program was devoted to music. As a conclusion a one-act comedy, "The Millionaire Janitor", was presented.

The ideals of the Society are embodied in the one word "Ex-celsior." These ideals are to be of service to the Society, to Piedmont, and to the world.

May these ideals remain dominant throughout the next year and the years to come.

In College life there is a certain mysterious, indefinable, intangible tie that binds hearts together. It makes them thrill—become ecstatic. It inspires them. The souls thus united work towards an ideal common to the aspirations of the group.

In Piedmont College life this tie holds fast in a closely woven friendship the members of the Theta Zeta Phi. Let us liken Theta Zeta Phi to a shining stream on which each one launches in her precious boat called Life, and, encountering no bitter gales, sails blissfully on to the great sea, which is an ideal of literary ability, loyalty to standards, and best of all, true, noble womanhood. Theta Zeta Phi is a symbol of all this.

The Protopian Society began its thirty-second year with its rooms filled with both new and old men at its first meeting held in The Protopian Rooms, Friday, September, 13. In spite of the fact that this first meeting came on "Friday the thirteenth," it was far from being "unlucky", it was a "whale of a success."

Our little heaven is full of stars, old and new alike shine brightly. The new faces in our midst have done much to light the way, and promise to be of valuable assistance. Our officers, the satellites,—to continue the allegory—have led us down the milkyway of success.

Realizing full well that "Knowledge is Power", the Protopians are indeed proud of their Sponsor, Miss Helen Cowan, who christened the New Prot Pin.

The programs this year have been of a varied nature including within its scope debates, current reports, "mock trials," music and boxing. The Protopians feel justly proud of their achievements during the past year and with a "Bow Wow" from "Kid" we bid you adieu.
